Expected close date: August 14, 2026

Lead source: Outbound

This opportunity was created about April 26, 2026 after an initial outbound conversation at a trade show. Unfortunately, we've been unable to get the champion back on the phone since our discovery call on April 29, 2026. Multiple emails and voicemails have gone unanswered. Next step: not specified — we honestly aren't sure who to reach out to next since our original contact went quiet.
