

Deal Brief: Summit Energy - Operations

Account: Summit Energy (Enterprise, ~2,100 employees)

Deal owner: Jane Smith (jane.smith@example.com)

Stage: Proposal

Deal value: \$155,000

Win probability: 45%

Expected close date: August 4, 2026

Lead source: Outbound

Summit Energy's operations team requested a formal proposal after a strong initial discovery process; the opportunity was opened about May 26, 2026. We sent over the proposal and had a good working session with their ops director on June 27, 2026. Next step: incorporate their feedback into a revised proposal and schedule a follow-up review.
